---

Tarrant County Breastfeeding Coalition is a group of individuals, professionals and businesses that have joined forces to ensure every mother in Tarrant County has the resources available to give her child the best possible start in life by breastfeeding. Exclusive breastfeeding during infancy is shown to reduce childhood and maternal illness, health risk and hospitalization.

Tarrant County Breastfeeding Coalition and Mothers' Milk Bank of North Texas are planning several events this year to protect, promote, and support breastfeeding. **In celebration of World Breastfeeding Week we are planning the 7<sup>th</sup> Annual Family Expo & Big Latch On at the Fort Worth Botanic Garden from 9 am to 1 pm Saturday, August 4, 2018.**

Last year's Family Expo was a huge success with 203 children simultaneously breastfeeding and 600 people in attendance! We will have a silent auction, provide children's entertainment and give businesses the opportunity to showcase their products and services at our vendor fair and through marketing.

If you are interested in becoming a vendor or donating to our auction please go to the Family Expo tab on our website at [www.TarrantBFCoalition.com](http://www.TarrantBFCoalition.com) . You can review the full vendor guidelines, complete the online vendor and donation forms and pay vendor fees online. **Please submit forms, payment, donations and marketing material by Friday, June 29.**

Full size vendor tables start at only \$60 with a donation to our silent auction. A limited number of premium tables are available for an additional fee to businesses wanting additional exposure. Tarrant County Breastfeeding Coalition members will receive a discount. Early Bird registration discounts are available.

Vendors can add marketing items to our 350 swag bags for no additional fee (free marketing items include coupons, discounts, samples and other items; fee required for brochures and business cards). Non-vendors can add approved marketing materials for \$25.

We would be honored if your business could help us make this a successful event again by sending a representative to the Family Expo to broadcast your support of all breastfeeding mothers. If you cannot attend, please consider donating to our silent auction or advertising with us. If you have any questions, contact Mary Ashley Ray at [info@tarrantbfcoalition.com](mailto:info@tarrantbfcoalition.com)

Thank you for honoring World Breastfeeding Week by supporting healthy mothers and babies in Tarrant County.

Sincerely,

Amanda Alvarez
